

Fifth International Journal

Thu, 11/09/2008 - 13:58

Fifth International is the English language journal of the League for the Fifth International. Its purpose is to argue for the politics of the League at a length and depth that is impossible in the newspaper publications of the L5I's sections. It contains a mixture of survey pieces, reviews, longer theoretical articles and debates. It comes out quarterly.

The current issue can be read on line [here](#) ^[1]
