Trotskyist International

Thu, 09/04/2009 - 12:02

*Trotskyist International* was published 25 times between the Summer of 1988 and December 1999.

It was originally the English language organ of the Movement for a Revolutionary Communist International (MRCI) and its successor the League for a Revolutionary Communist International (LRCI).

The MRCI and the LRCI were both the precursors to the League for the Fifth International.
